

Registration Procedures And Application

Hello Martial Artist,

Welcome to the Western Caribbean Martial Arts Extravaganza. I know you would not want to miss this great opportunity to train with some of the Top Martial Artist in the United States, as well as some Martial Art Legends. We have chosen these Top Martial Artist because of the variety of their talents

Enclosed in this package you will find all the necessary information you will need in order to make your seminar and vacation a memorable one that you will never forget. Before going any further it is mandatory that you have a U.S. Passport. I found it very easy to obtain one from the U.S. Post Office. There is no reason to have to expedite it if you get one before January 2009. It only took me about three weeks after filling out all the paperwork, and having all the proper credentials with me when I arrived at the Post Office.

As of June 30th 2008 the seminar has started to have a great response, we have over forty schools throughout the country that will be attending. So please do not hesitate to get your deposits in as soon as possible, space is limited.

We would also like you to understand that this event could not happen if you decide to book your cruise outside of this package. If you do, you will not be able to attend any of the Martial Art functions.

Our goal is to make this one of the greatest Martial Art experiences ever, your support is greatly appreciated.

Respectfully,
Sensei Robert B. MacEwen, Jr.
